Rain or shine...day or night...Grote's affordable new LED lamps are designed to work when you need them. No excuses.

- The rugged, durable construction and LED power of BriteZone lamps far outshine halogen to get the job done without breaking the bank.
- Boating. Mowing. Off-roading. For working or playing until long after the sun goes down, you need a lamp that's as tough and tireless as you are.
- Grote's BriteZone family has an LED lamp for any application—even tow trucks, garbage trucks, and forklifts.
- Value-priced to meet your budget.
